

Our Mission

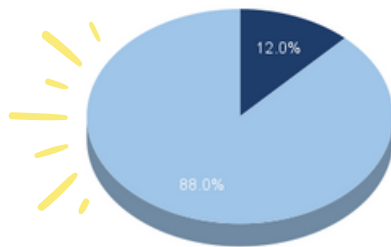

Beyond Limits' mission is to **level the academic playing field** and **eliminate opportunity gaps** for learners in lower Fairfield County. We empower every learner to achieve their potential through **high-quality, subsidized, non-school-based peer-to-peer tutoring, mentoring, academic advocacy, and enrichment activities**. By collaborating with local partners, we create a sustainable, inclusive academic support network that fosters a thirst for knowledge and equitable access to opportunities.

Participant Feedback

“This is an excellent program that 100% helps my daughter with her academics and allows her to feel more confident in herself. Thank you!”
—Anonymous Parent

“Beyond Limits helps me better prepare for school. **It lets me tap into the knowledge and experience of older students** for advice in other areas too.”
—Anonymous Student

“My daughter used to struggle with math, but with the help of the tutors and all the people that so kindly help us, my daughter is now an honor roll student. **There are no words to describe how thankful we are to Beyond Limits.**”
—Anonymous Parent

“I love my tutoring sessions because they’re really helpful and I feel more ready for my tests. **The tutors are very nice and supportive.** They make things easier by explaining so I can understand better. **I love Beyond Limits!**”
—Anonymous Student
